

# ***Global Health Forum***

---

Utah Global Health Forum Presents

July 13 Forum — Focus on Refugee Health

Time: 12:30-2:00pm

Venue\*: 44 Medical Drive, Conference Rooms A-D, Salt Lake City, Utah  
(UDOH Children with Special Health Care Needs building)

\*Alternate Locations Available via Video Conference

## **Featured Speaker:**

**Habiba A. Nur, MS, on “Female Genital Mutilation”** The speaker will discuss a multicultural health issue, FGM, including local repercussions with the Salt Lake refugee population. Specifically, Ms. Nur will address the topic in the following areas: what is FGM, types of FGM, health implications, geographical distribution of the practice, who practices FGM, who is at risk, legal issues, and public health recommendations.

**Panel Discussion** to follow with representatives from International Rescue Committee, Catholic Community Services, and UDOH Refugee Health Program.

*Sponsored by the Utah Public Health Association*

THE UNIVERSITY OF UTAH

*Co-sponsored by the University of Utah Public Health Program*

**PUBLIC HEALTH**  
PROGRAM
